

THE CAVALIER KING CHARLES SPANIEL CLUB, USA

America's Oldest Club for Cavalier King Charles Spaniel fanciers.

Over 50 Years of Dedication to the Cavalier King Charles Spaniel

Everyone is welcome to become a member of the CKCSC, USA and enjoy the benefits of an active club celebrating the love of this great breed. The CKCSC, USA held its first Cavalier Specialty at Sutherland Farm in Prospect, KY in 1962 — this was the first of what are now 13 weekends of two and three day shows held all over the United States with entries of 100-200+ Cavaliers. Each of these large specialties are judged by Cavalier breeders from all over the world. In addition to separately judged specialties with points towards CKCSC, USA Championships, shows include a puppy sweepstakes, health clinics at reasonable costs, obedience and rally trials, children's handling competitions, seminars, and great camaraderie among lovers of the breed. These weekends are also social events that are enjoyed by all members of the club, whether involved in showing or not.

For more information about all things Cavalier, Breeder Referral, and the dedication of the CKCSC, USA, to the breed, log onto www.ckcsc.org or call the CKCSC, USA information office at 985-748-8048.
